

The Rotary Club of Dryden is pleased to be able to sponsor several youth from our area to attend our Rotary Youth Leadership Awards (RYLA) Camp this summer.

Information packages on the camps and the application form are included . We are hoping that as a school will be able to nominate student(s) who might be interested and worthy of attending and share the enclosed information with them and their parents. We are looking for studentts with a good academic record, with involvemnet in school activities, sports or other non school related activities.

The Rotary Club of Dryden will cover the entire cost of Registration and Transportation from Winnipeg to the Camp on Clear Lake in Manitoba. Parents will be responsible for getting their child to and from Dryden, however we will help to arrange car pools to make this easier.

The completed applications must be returned to your office **before May 30th**. I will come in and pick them up June 1st.

Please do not hesitate to call me or have the students parents call me if there are any questions.
