

**ARE YOU A HANDS-ON PERSON
WHO ENJOYS WORKING OUTDOORS?**

MECHANICAL HARVESTING EQUIPMENT OPERATOR TRAINING – Guaranteed Jobs in the Forestry Sector

STARTS SPRING 2019 • FREE TUITION • LIMITED ENROLMENT • APPLY NOW

ARE YOU A HANDS-ON PERSON WHO ENJOYS WORKING OUTDOORS? Do you like to see the results of your hard work every day? Are you a responsible and safety conscious person who likes to work independently?

Confederation College's six-week Mechanical Harvesting Equipment Operator program prepares you for employment in forestry through certified training on Cut to Length (CTL) Processor, Feller-Buncher and Skidder forestry equipment. A four-week Life Skills program is provided in advance and is a prerequisite.

ADMISSION REQUIREMENTS:

- Grade 10
- 18 years of age or older
- Completion of application form
- Completion of four weeks of Life Skills/Hit the Ground Running program

CREDENTIAL:

At the successful completion of the program, participants will receive a Confederation College "Recognition of Achievement."
